LEAH MOULTON CALDER 1916

I was born May 25, 1916 in Heber City, Utah to Hyrum Moulton and Mary Catherine Hicken. I attended the Heber City schools and Seminary, and graduated from Wasatch High School on my eighteenth birthday in 1934.

I have many fond memories of my life at home with kind and loving parents and family. We loved each other and were taught the importance of setting a proper example, respect and love for the gospel and to be grateful for all our blessings.

I met and married Clive K. Calder of Vernal, Utah, on the 10th of May 1939, in the Salt Lake Temple. After living in Salt Lake for seven years we moved to Bountiful, Utah, where we now live.

We have been blessed with a family of four boys and one daughter, eleven

grandchildren and two great grandchildren. We love them very much and are proud of their accomplishments. My husband is a compassionate, loving man, and a hard worker and good provider for his family.

In 1985 my daughter and I had the opportunity to go to Europe and toured eight countries. I have also been to Canada, Guatemala and Hawaii.

I am grateful for my membership in the L.D.S. Church. I have always been an active participant, holding positions in all auxiliaries.

I treasure and am proud of the heritage that I have, for loving parents and family and for the testimony of the Gospel.
